BLANK CHECKS. A neat article, for sale, at the JOURNAL OFFICE.

ALFRED'S
The preceding figure is given to represent the risk of the insensible perspiration. It is the most exhaustive of the impurities of the blood. It will be noticed that a thick clammy sweat issues from all parts of the surface, which indicates that the perspiration flows mainly upon the surface, and not inwardly, as it should be. It is a sign of the insensible perspiration, and is a sign of the insensible perspiration. The language of Scripture is, "in the blood is the life." If it ever becomes impure, it will be traced directly to the stoppage of the insensible perspiration. Thus we see, all that is necessary when the blood is stagnant, or infected, is to open the pores, and it relieves itself from all impurity instantly. Its own heat and vitality suffices, without one particle of medicine, except to open the pores upon the surface. Thus we see the folly of taking so much internal remedies. All practice, however, direct their efforts to restore the insensible perspiration. The Thompsonian, for instance, steams, the Hydropathist showers in wet blankets, the Homoeopathist deals out all manner of pills, and the Quack gorges us with pills, pills, pills.
To give some idea of the amount of the insensible perspiration, we will state that the framed Dr. Lewenlock ascertained that five-eighths of all we receive into the stomach, passed off by this means. In other words, if we eat and drink eight pounds per day, we evacuate five pounds of it by the insensible perspiration.
This is none other than the used up particles of the blood, and other juices giving place to the new and fresh blood. It is this tendency, then, to retain in the system five-eighths of all the vitiated matter that nature demands should leave the body.
Let us ask, now, why could mind, what course seems the most reasonable to pursue, to untie the pores, that they are closed. Would you give physic to untie the pores? Or would you apply something that would do this upon the surface, where the clogging actually is? And yet I know of no physician who makes any external application to effect it. Under these circumstances, I present to physicians, and all others, Mr. ALFRED'S HEALING OINTMENT, or the "WORMS" SALE. It is a true, around old sores, upon the chest, in short upon any part of the body, whether diseased slightly or severely. It has power to cause all external sores, scalds, burns, rashes, skin diseases, pruritus, to discharge their purulent matter, then heals them.
It is a remedy that cures the whole catalogue of cutaneous disorders, and restores the entire cuticle to its healthy condition.
I have used it for the last fourteen years for all diseases, external, cutaneous, fever, involving the utmost danger and responsibility, and I declare before Heaven and man, that not in one single case has it failed to cure, or to give relief, or to restore the patient to his former state of health.
There have physicians, learned in the profession: I have had numbers of the Gospel, Judges on the bench, Aldermen and Lawyers, gentlemen of the highest eminence and MULTITUDES of the POOR, use it in every variety of case, and there has been but one voice—united, universal voice—saying "McAlister, your Ointment is GOOD!"

HEADACHE.
The Salve has cured persons of the Headache of 12 years standing, and who had it regularly every week, so that vomiting often took place.
Deafness and Ear Ache are helped with like success.
This Salve is an outlet to the impurities of the system, is, because they cannot pass off through the natural channels of the insensible perspiration. If such sores are healed up, the impurities must be sent out by the cuticle, or it will endanger life. This Salve will always provide for such emergencies.

RHEUMATISM.
It removes almost immediately the inflammation and swelling, when the pain of course ceases.
In all cases of fever, the daily lies in the pores being locked up, so that the heat and perspiration cannot pass off. If the least moisture could be started, the crisis passed and the danger over. The All-Healing Ointment will in all cases of fever almost instantly unlock the skin and bring forth the perspiration.
IN SCROFULA, BRISYSPALS, SALT RHEUM, LY. ER COMPLAINT, SORE THROAT, QUINCY, SORE THROAT, BRISYSPALS, BROKEN OR SORE BREAST, PILLS, ALL CHRONIC DISEASES, such as ASTHMA, OP. HEMIPLEGY, PAINS, SORE THROAT, CHAPPED HANDS, TUMORS, CUTANEOUS ERUPTIONS, NERVOUS DISEASES, and of the SPINE there is probably no medicine now so good—and as for WORMS it has no equal in the world.
PIMPLES ON THE FACE, MASCULINE SKIN, GROSS SURFACE.
Its first action is to excite the labor. It will not cease drawing till the face is free from any matter that may be lodged under skin, and frequently breaking out to the surface. It will, then, the face, it is nothing but grossness, or dull repulsive surface, it begins to soften and soften until the skin becomes as smooth and delicate as a child's.

WORMS.
If parents know how fatal most medicines were to children taken in excess, they would be slow to resort to them. Especially "mercurial" leucines, "calomel" or "mercuric iodine," "verruca," pills, &c. The truth is, no one can tell, invariably, when worms are present, how long it will take to procure their exit. The salve will always tell if a child has worms. It will drive every vestige of them away.
This is probably no medicine on the face of the earth at once so sure and so safe in the expulsion of worms.

AS A FAMILY MEDICINE.
No man can measure its value. So long as the stars roll and the planets move, so long as the human race exists, subject to all infirmities of the flesh—so long as disease and sickness is known—so long will this good Ointment be used and extolled. When man ceases to be of the earth, then the demand will cease, and all titillation.
JAMES McALISTER & Co.,
No. 101 Market Street, Wilmington, N. C.
Now we hereby offer a reward of \$500 to be paid on conviction in any of the courts of the United States, of any individual counterfeiting our name and Ointment.
Price 50 cents for the large, and 25 cents for the small bottles.

DAGUERRETYPE MINIATURES.
MR. HUMPHREY would respectfully announce to the citizens of Wilmington, that he proposes remaining in this place a short time, and of giving all an opportunity of procuring a correct likeness of themselves and friends in his superior style.
Having connection with three of the most successful Daguerreotype Rooms in the State of New York, he has advantages which but few artists can realize.
Portraits taken in a superior style, perfectly true to nature, of very fine tone, gilded and colored so that no climate will effect them in the least. Daguerreotypes taken by the old process, gilded and colored so as to render them equal to those taken at the present day.
Portraits of sick or diseased persons taken at their residences if required.
Particular attention given to those wishing to engage in the business. Instruction with all the latest improvements, apparatus and stock, furnished on reasonable terms.
For further information inquire at his room, on Front street up stairs adjoining Dr. Ware's, directly opposite the Chronicle Office.
